AYSO is a non-profit organization and is run by volunteers. Each player’s registration fees help to cover costs associated with uniforms, insurance, pictures, equipment, and field maintenance and upkeep. We encourage you to pay as much of the fees as possible to help AYSO cover these costs.

If considered for a scholarship, all that AYSO asks for in return, are several hours of your time, signing up for one of our volunteer duties. The volunteer duties can range from: coaching and refereeing to registration, scheduling, equipment inventory, and uniform distribution. These are naming just a few. For questions or concerns regarding your scholarship request, please email registrar@davisayso.net.
